

Conference Agenda

Day 1: Registration starts from 9AM

Conference Inauguration: 10Am to 1015Am

Time : 1015 to 11:15 Am

Inaugural Session: Lighting the Future - Government & Industry Perspective

The session will highlight the achievements and developments in renewable energy and touch upon key points on the policies and incentives of the Island Country making it one of the attractive markets for investments. The session will also deliberate on the specific aspects of connectivity and deepening of renewable energy integration within the country.

- Policy and Trends
- Global Market overview
- Opportunities in Sri Lanka
- Project financing and Beyond

Networking Break: 11:15 to 11:30 Am

Time: 11:30 to 12:30

Session 1: Guiding the Way into Green Era – Global CEO’s Vision

A special forum with the global leaders who passionately believe on renewing the planet through new ideas and technologies. The discussion with the generation’s global icons and innovators, sharing powerful ideas to change the attitudes and highlighting the concept of conscientious enterprise and business that helps the society.

- Industry top CEO’s from India, China and Sri Lanka

12:30 to 1:30 pm

Session 2: Rise of Sri Lanka – Island of opportunities & values

Sri Lanka has immense potential of power generation based on Renewable Energy Sources. The government is determined to increase the share of power generation through Renewable Energy Sources. The objective of this session will be to encourage the private investment for setting up of Solar Energy based power generating plants. Support in providing environment friendly and affordable Power for all along with promoting research and development with innovations and skill development in the country.

Potential speakers from:

- Speaker from Board of Investment in Sri Lanka
- Speaker from International Solar Alliance
- Speaker from leading Bank
- Ministry of Power and Renewable Energy
- Public Utilities commission of Sri Lanka

- Sri Lanka Energy Managers Association
- Sri Lanka Sustainable Energy authority

Networking Lunch

2:15 pm to 3:15: pm

Session 3: Meeting the Challenges v/s Breakthrough to Excellence

Session to discuss about the island challenges in terms of price and land. Technologies which can change these challenges to excellence...

- On-grid or grid-tied solar power system
- Off-grid solar power system
- Flat roof solar installation
- Pitched roof solar installation
- Ground-mount solar installation

3:15 pm to 4:30 pm: Session 4

Session on Balance of Systems and O&M of PV Plants

- Technical presentations and case studies of best practises
- Case study : 10 minutes presentation by key technology players on their product range and project implemented

4:30 pm to 5:00 pm : Session 5

Networking: Find your business partner

Day 2:

10:00 to 11:15am

Session 6: Innovations that Make the Future Brighter!

Significant transformations have happened in the Renewable Energy field. The session will witness some of the top global experts discussing the emerging international trends supporting this sector.

- A New World : Graphene in PV Industry
- The current outlook & opportunity for wind in Sri Lanka
- Storage solutions
- Solar Floating Solutions
- Innovative Residential installations
- Using digital technologies to control & Optimise RE Farms

11:15 to 11:30 am: Break

11:30 to 12:45 pm -Session 7

Technology Transformation: CTO Dialogue

One of the most innovative sessions with congregation of Chief Technical Officers (CTO's) discussing the latest trends and technologies in the RE-Sector. The session aims at discussions on the ongoing trends and the futuristic growth with technology.

- What's New today?
- Technical challenges and possible solutions
- What needs to get researched before selecting a product
- Smart Grid Technologies
- Renewable Energy Systems in Smart Cities
- Residential PV Systems & Off Grid Energy Technologies

Raise your question: CTO consulting session: Q&A

1:00 pm to 2:00 pm: Lunch Break

2:00 pm to 4:00 pm : Session 8

- Technical presentations and case studies
- Connecting a global network: My Product, My Agent

4:00 pm to 4:15 pm

Remark by Visionary Entrepreneur from Sri Lanka

4:15 pm to 5:00 pm

Networking & Refreshments
